SUMMARY

A Computer Science and Engineering student with a focus on Java, DSA and Web Development. Worked in building desktop applications and optimizing database management through academic coursework and hands-on project experience. Seeking to leverage technical skills in Software Engineering to contribute to innovative development teams.

EDUCATION

Galgotias University <i>Bachelor of Technology in Computer Science and Engineering (CGPA: 8.54/10.0)</i>	<i>Greater Noida, Uttar Pradesh</i> <i>Expected 2027</i>
Bh. B. I. College Auraiya <i>Board Examination (12th) Score: 83.3%</i>	<i>Auraiya, Uttar Pradesh</i> <i>2022</i>
Bh. B. I. College Auraiya <i>Board Examination (10th) Score: 86.5%</i>	<i>Auraiya, Uttar Pradesh</i> <i>2020</i>

TECHNICAL SKILLS

Languages:	Java, Python
Frontend:	HTML, CSS, JavaScript
Backend:	MySQL, REST APIs, Servlet, JSP, Apache Tomcat
Tools:	Git, GitHub, VS Code
Soft Skills:	Communication, Leadership, Problem-Solving, Teamwork

PROJECTS

AI Powered Image Search Engine

Java, JSP, Servlet, HTML, CSS, JS, Apache Tomcat

- Developed a dynamic image search engine using JSP and Servlets with live image fetching through external APIs.
- Designed a modern responsive UI with real-time search functionality and deployed the application on Apache Tomcat server.

Krishi Mitra

HTML, CSS, JavaScript

- Developed a clean and responsive agriculture assistance platform providing crop advisory, weather insights, government schemes updates, and pest control support for farmers.
- Integrated a responsive and user-friendly interface with real-time information access, improving accessibility across devices.

Vehicle Rental System

Python, Tkinter, MySQL

- Created a rental management system with login, inventory tracking, automated billing, and database integration.

CERTIFICATIONS

- Database Design - Oracle
- Data Visualization Course - Tata & Forage
- Design Thinking - Software Testing

INTERNSHIPS

Frontend Developer Intern

Sep 2025 - Oct 2025

Code Alpha

- Designed responsive UI components, optimized user workflows, and ensured mobile-friendly web experiences using HTML, CSS, and JavaScript.

Campus Ambassador

May 2026 - Present

Galgotias University

- Promoted campus events and student engagement initiatives through online and offline outreach.
- Coordinated with teams for event promotions, communication, and audience participation activities.

ACHIEVEMENTS

- Solved 500+ DSA problems on [LeetCode](#) and other coding platforms, strengthening problem-solving and algorithmic skills.
- Built multiple responsive and database-driven academic projects focused on real-time functionality and user experience
